In the matter of Objection No. 001 filed by the Bridge, Structural and Ornamental Iron Workers, Local Union No. 10, to Annual Wage Order No. 12, pertaining to the wage rate for the occupational title of Iron Worker in the Missouri County of Pettis – Section 080, issued by the Division of Labor Standards, Department of Labor and Industrial Relations; filed with the Secretary of State: March 9, 2005.

On March 23, 2005, counsel for the Bridge, Structural and Ornamental Iron Workers, Local Union No. 10 (the "Objector"), filed an objection to the above-referenced Annual Wage Order No. 12 with the Labor and Industrial Relations Commission (the "Commission"). The Commission had set a hearing concerning this matter for May 16, 2005.

On May 4, 2005, the Commission received a stipulation in which the Objector and the Division of Labor Standards have agreed to the building construction wage rate and benefits that should be paid to iron workers in Pettis County. These rates and benefits are reflected in the attached stipulation.

The Commission accepts the rate and fringe benefits reflected in the stipulation and orders that such amounts are the prevailing rate and benefits for iron workers in Pettis County.

Given at Jefferson City, State of Missouri, this 10th day of May 2005.
