

VOLUNTARY PAYMENT INFORMATION AND WORK SHEET (For Shared Work Employers)

All employers that are eligible for a rate calculation have the right to make voluntary payments in order to reduce their 2024 contribution rates, as stated in Section 288.125 of the Missouri Revised Statutes (RSMo). **This payment is optional and may not be used for subsequent contributions that may become due, nor can it be refunded in whole or in part.** The work sheet on the reverse side provides simple formulas for determining the amount required to attain the desired rate.

If you would like to make a voluntary payment, login to uinteract.labor.mo.gov under the Account Maintenance tab or complete the work sheet and **return it with your payment** (for the amount calculated on **line 5**) to: Division of Employment Security, ATTN: Deposit Subunit, P.O. Box 59, Jefferson City, MO 65104-0059. A voluntary payment cannot be used to amend your rate for 2024 unless it is received or postmarked on or before **January 16, 2024**. If you do not wish to make a voluntary payment, do not return this form.

Table of Rates

The rate shown on the Employer's Experience Rating Statement and Notice of Contribution Rate for the Calendar Year 2024 (MODES-527) is determined under Section 288.120.2, RSMo based on the ratio arrived at by dividing an employer's account balance by its average annual taxable payroll. The Table of Rates below includes a contribution rate adjustment of -12% except for any employer whose contribution rate under Section 288.120, RSMo is 6.000% or greater. If that is the case, it will be -10% contribution rate adjustment in accordance with Section 288.122, RSMo. (Select the desired rate and insert on line 6 of the work sheet.)
