In the Matter of: Scotland County

On Behalf of: Carpenters District Council of Greater St. Louis and Vicinity and its  
Affiliated Local Unions

Objector.

**OBJECTION**

COMES NOW Objector and files its Objection to Annual Wage Order No. 22,  
and states as follows:

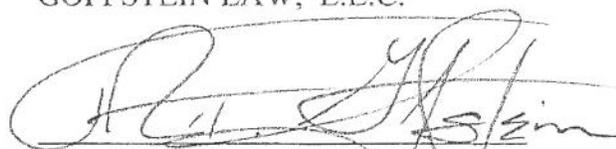

1. The Scotland County Building rate was sent to the Division by the Carpenters District Council with a typographical error. This Objection is nothing more than a correction of clerical mistake which ought to not prejudice the submitting Party. *Vitium Clerici Nocere Non Debet* is the Latin term in law for this long established legal principle.
2. The Building rate submitted for the Carpenter classification of Millwright and Pile Driver Classification should have shown an Hourly Wage Rate of \$27.29 for the Millwright and Pile Driver Carpenter in Scotland County as per contract and the current building rate contract between the Carpenters District Council of Greater St. Louis and Vicinity and the Associated General Contractors of Missouri.
3. These rates described set out in paragraph 2 above ( supra; ) are not only the collectively bargained rates, but there are also workmen ready, willing and

able to perform work in said counties at such rates. Such workmen have, in fact, performed such work at such rates. Work is performed at these rates in Scotland County to a greater extent than is work performed at the published rate in the objected to Amended Annual Wage Order 22 and such work has been performed to a greater extent at all times pertinent to the Annual amended Wage Order at issue.

WHEREFORE, Objector respectfully requests the Commission find the collectively bargained rates, with pending changes during the term of Annual Wage Order No. 22, to be the rates as established by the collective bargaining agreements of the Carpenters District Council of Greater St. Louis and Vicinity for the occupational title of Carpenter based upon the hours of work performed within Scotland County Building rate; and upon a consideration of the requirements of applicable collective bargaining agreements as required under Section 290.262, RSMo.

Respectfully submitted,

GOFFSTEIN LAW, L.L.C.
