

ORDER OF COMMISSION

In Re: Motion to Amend General Wage Order No. 58 filed by the Division of Labor Standards, Department of Labor and Industrial Relations

On July 31, 2014, the Division of Labor Standards (Division) filed a Motion to Amend General Wage Order No. 58 with the Labor and Industrial Relations Commission (Commission). The Division alleges that it discovered typographical, grammatical, or clerical errors subsequent to its filing of the general wage order with the Missouri Secretary of State's Office.

The Division notes the \$12.36 fringe benefit amount payable to General Laborers and Skilled Laborers in the counties of Barry, Barton, Bates, Benton, Camden, Carroll, Cedar, Christian, Dade, Dallas, Douglas, Greene, Henry, Hickory, Jasper, Johnson, Laclede, Lawrence, McDonald, Morgan, Newton, Ozark, Pettis, Polk, St. Clair, Saline, Stone, Taney, Vernon, Webster, and Wright under General Wage Order No. 58. The Division alleges that this amount should instead be \$12.01.

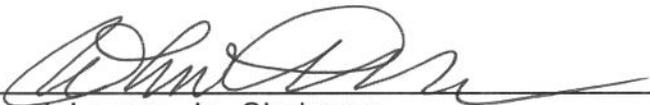

We have published the Division's motion to the Commission's website. All interested parties are hereby directed to show cause within fifteen (15) days of the date of this order why the Commission should not enter an order granting the Division's Motion. If no such responses are received, the Commission may grant the Division's Motion.

IT IS SO ORDERED

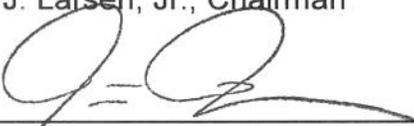

Given at Jefferson City, Missouri, this 7th day of August 2014.
