Receipt is acknowledged of a Motion to Amend General Wage Order No. 58 filed by the Division of Labor Standards (Division) on June 6, 2014, with the Labor and Industrial Relations Commission.

The Motion does not make clear which changes are proposed to General Wage Order No. 58. A review of the replacement pages suggests the Division now seeks to change the fringe benefit payable to Operating Engineers from \$15.01 to \$12.59 in the Missouri counties of Barry, Barton, Camden, Cedar, Christian, Dade, Dallas, Douglas, Greene, Hickory, Jasper, Laclede, Lawrence, McDonald, Newton, Ozark, Polk, St. Clair, Stone, Taney, Vernon, Webster, and Wright.

The Motion is posted on the Commission's Prevailing Wage web page (http://www.labor.mo.gov/LIRC/Forms/PW_Decisions/2014obj.asp).

Sincerely,

Pamela M. Hoffmann
