

**ORDER OF COMMISSION**

---

In Re: Motion to Amend General Wage Order No. 55 filed by the Division of Labor Standards, Department of Labor and Industrial Relations.

---

On July 13, 2011, a Motion to Amend General Wage Order No. 55 was filed by the Division of Labor Standards with the Labor and Industrial Relations Commission (Commission) for the Commission's consideration and action. General Wage Order No. 55 had previously been filed on June 30, 2011, with the Secretary of State's Office.

The Motion to Amend General Wage Order No. 55 was posted on the Commission's website on July 14, 2011. The Motion indicated its purpose is to correct typographical, grammatical, and clerical errors discovered by the Division of Labor Standards subsequent to the filing of the wage order with the Secretary of State's Office. Attached to the Motion was the corrected page sought to replace the original filed with the Secretary of State's Office. The Motion requests that the Commission enter an order to substitute the designated page attached for the original page found in General Wage Order No. 55, along with any other relief that the Commission deems appropriate.

No objections have been filed to the Division's Motion to Amend. Having received no objections, the Commission sustains the Motion to Amend General Wage Order No. 55, originally filed by the Division of Labor Standards on July 13, 2011.
