The International Union of Elevator Constructors, Local 12 would like to file an objection to the wage rate filed in Vernon County, Missouri for Elevator Constructors. It was mistakenly reported that the "Holiday" rate was \$1.393. The proper rate should be \$1.47 which will increase the total fringe package for Elevator Constructors to \$23.255. I have enclosed a breakdown for the wages and fringes which should be considered the Prevailing Wage for Elevator Constructors in Vernon County.

Feel free to contact me with any questions.

Sincerely,

Eric R. Rogers
