OBJECTION TO ANNUAL WAGE ORDER NO. 20

LABOR AND INDUSTRIAL  
RELATIONS COMMISSION

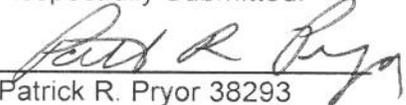

COMES NOW Objectors, Eastern Missouri Laborers' District Council and its affiliated Local Unions, and files its objection to Annual Wage Order No. 20 for Chariton County and states as a basis therefore the following:

1. A review of Annual Wage Order No. 20, as filed with the Secretary of State, indicates that the Division of Labor Standards set the Building Construction wage rate for the Occupational Title of General Laborer in Chariton County at \$9.00. It is the belief of Objector that the rate of \$9.00 was set with less than 100 hours submitted to the Division of Labor Standards.
2. Huey Construction Inc. performed construction work in Chariton County on the Disinfection Improvements Project at the Brunswick, Missouri Wastewater Treatment Facility. This work was performed during the months of October, November and December of 2012. Huey Construction Inc. employed workmen classified as General Laborer on said project.
3. Huey Construction Inc. paid workmen classified as General Laborer \$32.35 per hour for a total of 261.5 hours on the Disinfection Improvements Project at the

Brunswick, Missouri Wastewater Treatment Facility. This information is contained in the attached certified payroll report of Huey Construction Inc.

WHEREFORE, Objectors respectfully request the Commission to issue an Order changing the Building Construction Wage Rate for the Occupational Title of General Laborer to \$32.35.

Respectfully Submitted:
