MISSOURI Working Better TOGETHER
MISSOURI DEPARTMENT OF LABOR & INDUSTRIAL RELATIONS
ECONOMIC RESOURCE GUIDE
MISSION STATEMENT

To promote industry and labor and protect the rights and safety of Missouri’s workforce.
GROWING A BUSINESS
Employers can sign up at UINTERACT.LABOR.MO.GOV to pay tax contributions online using our state-of-the-art, fully-integrated system for unemployment insurance tax, benefits and appeals.
Missouri is 1 of 7 states with a minimum UI tax rate of 0%.

25% of contributing businesses had a zero rate in 2016.
NEW EMPLOYER RATE
New employers receive a tax rate assigned to all new employers of the same industrial classification. Find your industry at labor.mo.gov/DES/Employers/tax_rates.

EXPERIENCE RATE
Once an employer becomes eligible, an experience rate is calculated based on the ratio between an employer’s average annual taxable payroll, unemployment claims against its account and taxes paid previously by the employer.

Experience Rating
The experience rating is an incentive for employers to maintain stable employment, review claims and reduce unemployment.

OTHER THINGS TO CONSIDER WHEN HIRING EMPLOYEES

“What is Missouri’s minimum wage?”

“What do I need to pay tipped employees?”

“Can I employ youth?”

“Am I required to give employees breaks?”

“How much am I required to pay for overtime?”

“Am I required to provide paid vacation or sick leave?”

EMPLOYERS MUST CARRY WORKERS’ COMPENSATION INSURANCE IF THEY:

- HAVE 5 OR MORE EMPLOYEES
- OR
- ARE IN THE CONSTRUCTION INDUSTRY AND HAVE 1 OR MORE EMPLOYEES

AN ALTERNATIVE:
Employers and groups of employers may apply to the Division of Workers’ Compensation to self-insure their workers’ compensation obligations, which may save money.

LLC members may opt-out of coverage, but if a workplace injury occurs, they are liable for all medical costs, which generally are denied by medical insurance.

Make sure subcontractors have current insurance on all of their employees or you will be held responsible if a workplace injury occurs.

You can determine if a subcontractor has coverage in the state of Missouri by visiting:

WEATHERING THE STORM
Shared Work is an alternative to layoffs that allows an employer to divide available work among affected employees who receive a portion of their unemployment benefits while working reduced hours.

**BUSINESSES**
- Retain skilled employees during downturns or transition periods and reduce labor costs

**EMPLOYEES**
- Retain regular benefits and receive a portion of unemployment while continuing to work

**COMMUNITIES**
- Do not experience the economic impact of full layoffs and retain local skilled workers
A business facing a 20 percent reduction in production usually lays off one-fifth of its workforce.

Under Shared Work, the firm retains its total workforce on a four-day-a-week basis. Reducing hours from 40 to 32 cuts production by the needed 20 percent.

Allows the business to retain 100% of employees.

Workers receive wages for the four-day workweek and get unemployment benefits from the Shared Work Program.

The business keeps all employees AND reduces labor costs.

If a business is experiencing a temporary layoff of 20 or more employees, we can streamline the unemployment filing process. Visit UINTERACT.LABOR.MO.GOV to submit a request for a mass layoff.

1. Visit UINTERACT.LABOR.MO.GOV to submit a request for a mass layoff.
2. Fill out and upload a spreadsheet of affected workers.
3. We will automatically sign those individuals up for benefits.
4. Workers complete their weekly request for payment.

Employment Transition Teams are here to help workers transition quickly to new positions. In partnership with the Department of Economic Development, we send a team to meet with employees to guide them through the unemployment process and into their next job.

The Employment Transition Team includes:
- A Workforce Development Representative
- An Unemployment Insurance Representative
- A Local Job Center Representative
